# Walls (Circus)

Par Tom Petty and The Heartbreakers

Album : *The Best Of Everything (The Definitive Career Spanning Hits Collection 1976-2016) - Disc 1 of 2*

Some days are diamonds

Some days are rocks

Some doors are open

Some roads are blocked

Sundowns are golden

Then they fade away

And if I never do nothin'

I'll get you back some day

'Cause you got a heart so big

**It could crush this town**

**And I can't hold out forever**

**Even walls fall down**

And all around your island

There's a barricade

It keeps out the danger

It holds in the pain

And sometimes you're happy

Sometimes you cry

Half of me is ocean

Half of me is sky

**But you've got a heart so big**

**It could crush this town**

**And I can't hold out forever**

**Even walls fall down**

Yes, they do, Oh!

And some things are over

Some things go on

And part of me you carry

Part of me is gone

**But you've got a heart so big**

**It could crush this town**

**And I can't hold out forever**

**Even walls fall down**

Baby you've got a heart so big

That it could crush this town

**And I can't hold out forever**

**Even walls fall down**

Yeah, I guess they do

Yes, they do

They fall down
