You Better No Do That

Par Tommy Collins

Album : That's Him!

I'm just a plain ol' country kid and I like to do what's right
But just like any other boy, I like to hold 'em tight
Sometimes I got resistance, but no matter how I try
When a cute little gal just looks at me with a gleam in her eye
And I'd say, "You better not do that", and she say, "Why?"

And I'd say, "Cause you just better not do that"

When I was in the country school I always had a girl
They'd laugh and giggle awful cute and put me in a whirl
And everyday at recess time they'd follow me outside
I'd scratch my head and wonder, are they ever satisfied?
I'd say, "Honey, you better not do that" and she'd say, "Why?"
And I'd say "Cause you just better not do that"
When I was a little older, I went to the country dance
I went to have a little fun, I wasn't thinkin' about romance
But the dim lights just lured 'em on and they'd snuggle up to me
I knew I couldn't last too long, 'cause I'm human you see
And I'd say, "Baby, you better not do that", and she'd say, "Why?"

Now that's the way my life has been, ain't it a cryin' shame?

How much longer can I last if I keep playin' a game?

Sometimes I don't know who I am, don't they know what they're doin'?

I'm afraid in years to come that girls will be my ruin

And I'll say "Now honey, you better not do that"

And she'll say, "Why?"

And I'd say, "Well, you just better not do that", and she'll say, "Why?"

And I'll say "Oh, well, oh, oh, it's alright if you do that"
