Choices always were a problem for you

What you need is someone strong to guide you

Deaf and blind and dumb and born to follow

What you need is someone strong to guide you

Like me, like me

Like me, like me

If you want to get your soul to Heaven

Trust in me now, don't you judge or question

You are broken now, but faith can heal you

Just do everything I tell you to do

Deaf and blind and dumb and born to follow

What you need is someone strong to guide you

Deaf and blind and dumb and born to follow

Let me lay my holy hand up, hand upon you

My God's will

Becomes me

When he speaks

He speaks through me

He has needs

Like I do

We both want

To rape you

Jesus Christ, why don't you come save my life now?

Open my eyes, blind me with your light now

Jesus Christ, why don't you come save my life now?

Open my eyes, blind me with your light now

If you want to get your soul to heaven

Trust in me now, don't you judge or question

You are broken now, but faith can heal you

Just do everything I tell you to do

Jesus Christ, why don't you come save my life now?

Open my eyes, blind me with your light, now

Jesus Christ, why don't you come save my life now?

Open my eyes, blind me with your light, now

Deaf and blind and dumb and born to follow

Let me lay my holy hand up, hand upon you

My God's will

Becomes me

When he speaks

He speaks through me

He has needs

Like I do

We both want

To rape you

(Traitor)

I had a friend once, he took some acid

Now he thinks he's a fire engine

It's ok, until he pisses on your lighter

Kinda smells kinda cool, kinda funny anyway

Satan

Satan

Satan

Satan

Satan

I had this friend once, he took some ecstasy

Tried to marry me and everyone in the room

He was sorta loving, kinda caring

Kinda tried to fuck my lazy boy

It got a bit messy all over the curtains

Arm chair covers, throw pillows and carpeting

I'm getting bored, I'm getting bored

I'm getting bored, I'm getting bored

I'm getting bored, I'm getting bored

I'm getting bored, I'm getting bored
