Sweet and Dandy

Par Toots & the Maytals

Album : 54-46 Was My Number: Anthology, 1964-2000 (1 of 2)

Alright

Yep-a, Etty in a room a cry

My mama say she must wipe her eye

Papa say, "She no fi foolish

Like she never been to school at all!"

It is no wonder

It's a perfect ponder

While they were dancing

In that bar room last night

Johnson in the room a-fret

Uncle say he must hold up him head

Aunty say, "She no fi foolish

Like there's no time for his wedding day!"

It is no wonder

It's a perfect ponder

While they were dancing

In that bar room last night

One pound 10 for the wedding cake

And plenty bottle of cola wine

All the people them dress up in a white

Fi go eat out Johnson wedding cake

It is no wonder

It's a perfect ponder

While they were dancing

In that bar room last night

Yep-a, Etty in a room a cry

Mama say she must wipe her eye

Papa say, "She no fi foolish

Like she never been to school at all!"

It is no wonder

It's a perfect ponder

While they were dancing

In that bar room last night

Johnson in the room a-fret

Uncle say he must hold up him head

Aunty say, "She no fi foolish

Like there's no time for his wedding day!"

It is no wonder

It's a perfect ponder

While they were dancing

In that bar room last night

One pound 10 for the wedding cake

And plenty bottle of cola wine

All the people them dress up in a white

Fi go eat out Johnson wedding cake

It is no wonder

It's a perfect ponder

While they were dancing

In that bar room last night

Well, but they were sweet and dandy

Sweet and dandy

Sweet and dandy

Sweet and dandy

Sweet and dandy

Sweet and dandy

Sweet and dandy

Oh, and dandy

It was sweet and dandy

It was sweet and dandy

It was sweet and dandy

It was sweet and dandy

It was sweet and dandy

Sweet and dandy
