# Crucify

Par Tori Amos

*Album : Blood Roses*

Every finger in the room is pointing at me

I wanna spit in their faces, then I get afraid of what that could bring

I got a bowling ball in my stomach

I got a desert in my mouth

Figures that my courage would choose to sell out now

**I've been looking for a savior in these dirty streets**

**Looking for a savior beneath these dirty sheets**

**I've been raising up my hands, drive another nail in**

Just what God needs, one more victim

**Why do we, crucify ourselves, every day?**

**I crucify myself and nothing I do is good enough for you**

I crucify myself, every day

**I crucify myself**

**My heart is sick of being**

**I said my heart is sick of being in chains, oh oh oh**

**Chains, oh oh oh**

Got a kick for a dog, begging for love

I gotta have myself a ring so that I can have my cross

I know a cat named Easter, he says "will you ever learn"

You're just an empty cage, girl, if you kill the bird

**I've been looking for a savior in these dirty streets**

**Looking for a savior beneath these dirty sheets**

**I've been raising up my hands, drive another nail in**

Got enough guilt to start my own religion

**Why do we, crucify ourselves, every day?**

**I crucify myself and nothing I do is good enough for you**

**I crucify myself, oh every day**

**I crucify myself**

**My heart is sick of being**

**I said my heart is sick of being in chains, oh oh oh**

**Chains, oh oh oh**

Please be

Save me

I cry

Uh-huh, uh-huh

Looking for a savior in these dirty streets

**Looking for a savior beneath these dirty sheets**

**I've been raising up my hands, drive another nail in**

Where are those angels, when you need them?

**Why do we, crucify ourselves, every day?**

**I crucify myself and nothing I do is good enough for you**

**I crucify myself, oh every day**

**I crucify myself**

And my heart is sick of being

**I said my heart is sick of being in chains, oh oh oh**

Chains, why do we

Chains

Crucify ourselves

Every day

**Ah-ah, ah, ah, ah**

Oh, chains

Oh, yeah

Yeah, chains

**Ah-ah, ah, ah, ah**

Never going back again, oh

Crucify myself again, you know

Never going back again to crucify myself, every day
