# Girl Goodbye

Par Toto

*Album : Toto (2005 DSD Remastered)*

Well, I'm out on the road and the devil's got my soul

And I'm looking for the Lord in New York City

Yeah, I'm out on the run, got some heat, got a gun

If they don't find me soon, it'll be a damn pity

So it's goodbye girl, goodbye girl, girl goodbye

It's so hard to see the truth with the sun in your eyes

**Goodbye girl, goodbye girl, girl goodbye**

**Must be in the way that she cries**

**Must be in the way that she cries**

**Must be in the way that she cries**

Oh, there's smoke in the air and there's blood everywhere

Lord, I'm hoping that the white man, well, he don't recognize me

I'm so sorry for what I've done and I say it not in fun

When I tell you that there's no one Lord, left here inside me

And it's goodbye girl, goodbye girl, girl goodbye

**It's so hard to see the truth with the sun in your eyes, whoa, yeah**

**Goodbye girl, goodbye girl, girl goodbye**

**Must be in the way that she cries**

**Must be in the way that she cries**

**Must be in the way that she cries**

So, it's goodbye girl, goodbye girl, girl goodbye

**It's so hard to see the truth with the sun in your eyes, whoa, yeah**

**Goodbye girl, goodbye girl, girl goodbye**

**Must be in the way that she cries**

**Must be in the way that she cries**

**Must be in the way that she cries**
