# Pamela

Par Toto

*Album : Radio 2 Top 2000 van 2013*

Side by side, I'll be yours forever

Rain or shine, any kind of weather

There isn't anything I wouldn't do for you

Let's take what's getting old and make it new

Oh, eye to eye, it's a blinding confrontation

You and I, we're a deadly combination

So don't start mixing truth with jealousy

The road we're on is clear as far as I can see

**Pamela, don't break this heart of mine**

**Just remember, it may not heal this time**

**Pamela, there is no second chance**

For the one who leaves it all behind, yeah yeah

Black and white always go together

Day and night you're the precious jewel I treasure

Wanting every part of you is not a crime

Or could it be that you're the one who's wrong this time

**Pamela, don't break this heart of mine**

**Just remember, it may not heal this time**

**Pamela, there is no second chance**

**For the one who leaves it all behind**

All that I love (all that I love)

Thousands of miles away, but always in my heart

**Pamela, don't break this heart of mine**

**Just remember, it may not heal this time**

Pamela, there is no second chance,

**For the one who leaves it all behind**

**Pamela, don't break this heart of mine**

**Just remember, it may not heal this time**

For the one who leaves it all behind, leave all behind
