Dig That Groove Baby

Par Toy Dolls

Album : Tony Hawk

Friday night is bath night this is what they say

We are gonna dig the groove, we've waited all day

We wear trendy trousers with belts a mile too long

We are gonna catch the bus into the town

We are boogie on down...

[Chorus]

Dig that groove ba-a-by

Dig that groove ba-a-by

Dig that groove ba-a-by, ba-a-by oo-oo-oo

There they are again covered in Old Spice

They think they will get the girls cause

they smell nice,

They all call me riff raff

'Coz I wear a Crombie

I couldn't stand it being just like them

they all look like puffs not men

[Chorus]

(spoken)Dig that groove baby!

See that trendy there she used to be a punk

Now she's off to the disco to listen to junk

Her boyfriend was a skinhead

He used to shout Oi! Oi!

Play that funky music that's what they say now

Come with me and I'll show you how...

[Chorus]
