China in Your Hand (Single Version)

Par T'Pau

Album : 101 Driving Songs

It was a theme she had

On a scheme he had

Told in a foreign land

To take life on earth

To the second birth

And the man was in command

It was a flight on the wings

Of a young girl's dreams

That flew too far away

Don't push too far your dreams are china in your hand

Don't wish too hard because they may come true

And you can't help them

You don't know what you might have set upon yourself

China in your hand

Come from greed

Never born of the seed

Took a life from a barren hand

Oh eyes wide

Like a child in the form of man

A prophecy for a fantasy

The curse of a vivid mind

Don't push too far your dreams are china in your hand

Don't wish too hard because they may come true

And you can't help them

You don't know what you might have set upon yourself

China in your hand

Whoa your hand

Your hand

Don't push too far your dreams are china in your hand

Don't wish too hard because they may come true

And you can't help them

You don't know what you might have set upon yourself

But you shouldn't push too hard no no

Don't push too far your dreams are china in your hand

Don't wish too hard because they may come true

And you can't help them

You don't know what you might have set upon yourself

Because they're only dreams

And you shouldn't push too hard no no
