For You

Par Tracy Chapman

Album : 261 # Tracy Chapman

No words to say

No words to convey

This feeling inside I have for you

Deep in my heart

Safe from the guards

Of intellect and reason

Leaving me at a loss

For words to express my feelings

Deep in my heart

Deep in my heart

Look at me losing control

Thinking I had a hold

But with feelings this strong

I'm no longer the master

Of my emotions

No words to say

No words to convey

This feeling inside I have for you

Deep in my heart

Safe from the guards

Of intellect and reason

Leaving me at a loss

For words to express my feelings

Deep in my heart

Deep in my heart

Look at me losing control

Thinking I had a hold

But with feelings this strong

I'm no longer the master

Of my emotions

No words to say

No words to convey

This feeling inside I have for you

Mmm-mmm

For you

Mmm-mmm

For you
