Overcome

Par Tricky

Album : A Ruff Guide [Best Of]

You sure you want to be with me?

I've nothing to give

Won't lie and say this loving's best

Whoa, leave us in emotional peace

Mmm, take a walk take a rest

And taste the rest

Don't wanna be on top of your list

Monopoly improperly kissed

We overcome in 60 seconds with the strength we have together

But for now, emotional ties they stay severed

And when there's trust there'll be treats

When we funk, we'll hear beats

You and her, walking through the suburbs

No, not exactly lovers

You're a couple, 'specially when your bodies double

Duplicate and then you wait

For the next Kuwait
