Oeh le la la

Eh le la la la

Oeh le la la

Why don't U leave me alone

Why don't U leave me alone

When will we start livin'

By da rule

Of takin' & givin'

When will we start two try

Two open up & wonder why

Can you hear them prayin'

Listen two what they're sayin'

This is an indian call

So listen two it all

Why don't U leave me alone

Oh le la la

Eh le la la la

Oh le la la

Why don't U leave me alone

Oeh le la la

Eh le la la la

Oeh le la la

Eh le la la la

Oeh le la la

Eh le la la la

Oeh le la la

Eh le la la la

Oeh le la la

Eh le la la la

Oeh le la la

Eh le la la la

What is black & what is white

Tell me what's wrong & what's right

Is there a way two say

What's going on two day

Indians tryin' & cryin'

Da chief of a redskin is dyin'

Da message is very clear

Listen while they're near

Why don't U leave me alone

Oh le la la

Eh le la la la

Oh le la la

Why don't U leave me alone

Oeh le la la

Eh le la la la

Oeh le la la

Eh le la la la

Force!

If U dare go four yours

Here is mine & I'm opening doors

Have a break when U travel

& Take back your culture

Two a hi level

I's of a chinaman in my face

Da blood of an indian

Mixed in my race

So come on

Gimme some

Close your I's

& Go where you're from

I'm not white

I'm not a blackskin

& Let me tell U this

I'm not a redskin

We R human beings & equal

Da same flesh & blood

Da same people

So here we go with da flow

Twenty Four Seven is here

Two let you know

Pay respect two da indian home

Leave them alone!

Oh le la la

Eh le la la la

Oh le la la

Eh le la la la

Why don't U leave me alone

Why don't U leave me alone
