Y'aa Know Who (International Bonus Track)

Par Twista

Album : Kamikaze

Wassup my niggas

U know what im talkin bout

We about to flip the fuck out

And ball the fuck out

All these bitches Its Our turn

from all of yall from the right to the left

we just came to see you party and enjoy yourself

for all of yall from the right to the left we just came to see you party and enjoy yourself

Cause its cool when you cause a cozy condition

on what we be sippin then what we create cause thats how we missing so what[?]

gotta handle my functions slowing conjunctions with the b-tox[?] it be funkin[?] get it popin off[?]

u can peat[?] from my actions I get it crackin Im spendin Benjamins u spending Jacksons can get a [?]

when I spit it theysay twista what u on boy u gone my caddy[?] flip two tones[?] im attacking verses flow
evil packin

hearses and snatching purses while yo rap is worthless I blow up cause my stomach to empty
motherfucker dont pip me[?]cause ima get like baby in the burgandy Bently and boutta blow up[?]

...To Be continued
