Even Better Than The Real Thing

Par U2

Album : U2: The Best Of 1990-2000

Give me one more chance

And you'll be satisfied

Give me two more chances

You won't be denied

Well, my heart is where it's always been

My head is somewhere in between

Give me one more chance

Let me be your lover tonight

You're the real thing

Yeah, the real thing

You're the real thing

Even better than the real thing, yeah

Give me one last chance

And I'm gonna make you sing

Give me half a chance

To ride on the waves that you bring

You're honey, child, to a swarm of bees

Gonna blow right through you like a breeze

Give me one last dance

We'll slide down the surface of things

You're the real thing

Yeah, the real thing

You're the real thing

Even better than the real thing, child

We're free to fly the crimson sky

The sun won't melt our wings tonight

Oh now

Oh, yeah

Here she comes

Take me higher

Take me higher

You take me higher

You take me higher

You're the real thing

Yeah, you're the real thing

You're the real thing

Even better than the real thing

Even better than the real thing

Even better than the real thing
