I Still Haven't Found What I'm Looking For (Remastered 2007)

Par U2

Album : The Joshua Tree (Remastered 2007)

I have climbed highest mountains

I have run through the fields

Only to be with you

Only to be with you

I have run

I have crawled

I have scaled these city walls

These city walls

Only to be with you

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

I have kissed honey lips

Felt the healing in her fingertips

It burned like fire

This burning desire

I have spoke with the tongue of angels

I have held the hand of a devil

It was warm in the night

I was cold as a stone (mm, mm)

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

I believe in the kingdom come

Then all the colors will bleed into one

Bleed into one

But, yes, I'm still running

You broke the bonds

And you loosed the chains

Carried the cross

Of my shame

Of my shame

You know I believe it

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for
