Heaven

Par U96

Album : Top13_4-96

Feels like in heaven...

Feels like in heaven...

Call it love,

Call it sin,

It's the state I'm in

Feels like in heaven

I am blessed

And obsessed

Mysterious angel

Feels like in heaven

Call it love,

Call it sin,

It's the state I'm in

Feels like in heaven

I am blessed

And obsessed

Mysterious angel

Feels like in heaven

Heaven...

Wonder...

Angel...

Danger...

Let's taste it

And waste it

Forbidden fruit

Feels like in heaven

To measure

The pleasure

To melt in emotions

Feels like in heaven

Call it love,

Call it sin,

It's the state I'm in

Feels like in heaven

I am blessed

And obsessed

Mysterious angel

Feels like in heaven

Heaven...

Heaven...

Feels like in heaven...

Feels like in heaven...

Call it love,

Call it sin,

It's the state I'm in

Feels like in heaven

I am blessed

And obsessed

Mysterious angel

Feels like in heaven

Heaven...

Feels like in heaven...

Heaven...

Angel...

Danger...

Call it love,

Call it sin,

It's the state I'm in

Feels like in heaven

I am blessed

And obsessed

Mysterious angel

Feels like in heaven

Call it love

Feels like in heaven

Call it sin

Heaven...

Feels like in heaven

Two lovers,

Two sinners

A poison kiss

Feels like in heaven

Baby stay what you are

Strong propaganda

Feels like in heaven

Heaven...

Heaven...
