# Sing Our Own Song

Par UB 40

*Album : All The Best (CD1)*

The great flood of tears that we've cried  
For our brothers and sisters who've died  
Over four hundred years has washed away our fears  
And strengthened our pride, now we turn back the tide

We will no longer hear your command  
We will seize the control from your hand  
We will fan the flame of our anger and pain  
And you'll feel the shame for what you do in God's name

**We will fight for the right to be free**

**And we will build our own society**

**And we will sing, we will sing**

**We will sing our own song**

When the ancient drum rhythms ring

The voice of our forefathers sings

Forward Africa, run, our day of freedom has come

For me and for you, Amandla Awethu

**We will fight for the right to be free**

**And we will build our own society**

**And we will sing, we will sing**

**We will sing our own song**

**And we will fight for the right to be free**

**And we will build our own society**

**And we will sing, we will sing**

**We will sing our own song**

**And we will fight for the right to be free**

**And we will build our own society**

**And we will sing, we will sing**

**We will sing our own song**

**And we will fight for the right to be free**

**And we will build our own society**

**And we will sing, we will sing**

**We will sing our own song**

**And we will fight for the right to be free**

**And we will build our own society**

**And we will sing, we will sing**

**We will sing our own song**

**And we will fight for the right to be free**

**And we will build our own society**
