Kingston Town

Par UB40

Album : The Best of UB40 (disc 2)

The night seems to fade

But the moonlight lingers on

There are wonders for everyone, oh

The stars shine so bright

But they're fading after dawn

There is magic in Kingston Town

Oh, Kingston Town

The place I long to be

If I had the whole world

I would give it away

Just to see the girls at play

When I am king

Surely I would need a queen

And a palace and everything, yeah

And now I am king

And my queen will come at dawn

She'll be waiting in Kingston Town

Oh, Kingston Town

The place I long to be

If I had the whole world

I would give it away

Just to see the girls at play, yeah

When I am king

Surely I would need a queen

And a palace and everything, yeah

And now I am king

And my queen will come at dawn

She'll be waiting in Kingston Town

She'll be waiting in Kingston Town, right on

She'll be waiting in Kingston Town, oh, yeah

She'll be waiting in Kingston Town, oh, yeah

She'll be waiting-
