Please Don't Make Me Cry

Par UB40

Album : Red Red Wine - The Collection (Volume II)

You say you're gonna to leave me

I'm beggin' you to stay

But baby

I can't get through it anyway

No I can't

And when I wake up in the mornin'

You are gone

Little pretty thing, you know I'll be all alone

You'll hear me crying

Mmm

Please don't make me cry

Mmm mmm

'Cause I can't say goodbye

Mmm

Please don't make me cry

Because I know

There will be nothing left for me

All them good, good times we spent together

You said

It was me

And no other, yeah

And now you want to make me feel pain inside

Darlin', I know you are going to make me cry

You'll hear me crying

Mmm

Please don't make me cry

Mmm mmm

'Cause I can't say goodbye

Mmm

Please don't make me cry

Mmm mmm

Because I know there will be nothing left for me

All this pain

I can't stand it

You're gonna leave

You're gonna leave this poor man on his own

Yes, you are

Mmm

Please don't make me cry

Mmm mmm

'Cause I can't say goodbye

(Show some sympathy)

Mmm

Please don't make me cry

Because I know

There will be nothing left for me

All this pain

I can't stand it

You're gonna leave

You're gonna leave this poor man on his own

Yes, you are

Please don't make me cry

Baby, I'm pleading

Oh oh
