### Track 5

Par Unknown Artist

*Album : Unknown Album (18/11/2004 05:53:47 p.m.)*

I had to run away and hide,

Something happened in the middle of the night

They came inside without a sound,

Suddenly my life was turning upside down

**All that I could feel was pain,**

**The strangers came and took my soul away**

Like a deadly hurricane, I know my life will never be the same

Where do you go when you're by

Yourself, who comes along when you cry for help

**I know I can't change the past,**

**But as the river keeps flowing, I'll keep on moving on.**

I'm hoping for a better life,

Praying that nobody's story turns out like mine

The only thing I know is fear,

Even those with good intentions disappear

**All that I could feel was pain,**

**The strangers came and took my soul away**

Like a deadly hurricane I know my life will never be the same

**Where do you go when you're by yourself,**

**Who comes along when you cry for help,**

**I know I can't change the past,**

But as the river keeps flowing, I'll keep on moving on

**Where do you go when you're by yourself,**

Who comes along when you cry for help, I know I can't change the past

**But as the river keeps flowing, I'll keep on moving on.**

The deed has been done, my spirit is broken,

You gave me no reason, you left me with questions

**Where do you go when you're by yourself,**

## Who comes along when you cry for help,

I know I can't judge the past, but as the river,

As the river

I'll keep on going on, where do you go when you're by yourself,

## Who comes along when you cry for help,

I know I can't change the past

But as the river keeps flowing I'll keep on moving

## Where do you go when you're by yourself,

Who comes along when you cry for help

I know I can't change the past but as the

River keeps flowing I'll keep on moving on

Eeeeehhhhh

Uuuhhhhh

I'll keep on moving on,

Eeeehhh yeah

Uh oh oh oh

Uh uh uh oh oh oh

I'll keep on moving on

I'll keep on moving on.
