### Track13

Par Unknown Artist

*Album : Unknown Title*

Ladies make some noise if you wanna be my replacement

Lat me show what it is

I was born up top but was raised at the bottom of the map

Where the girls all thick and the hottest niggas rap

If you lookin for the goods then we got in the trap like

Ooo wee

Took 'em from white snakes to

Ooo wee

This metaphore might sound a little confusing but

Yall don't really even know me yeah yeah

I done come all way from the Days Inn and all the hotels that stayed

In

I took my lifestyle from mediocre to good and now I say it's sittin at

Amazing'

Girls tryin sell a whole lobby of us

Hear em all screamin then it's probably is

But I can't blame females, females can't really ignore something this

Obvious

What you really expect when I strut through town

Two or three days I shut you down

Chilin wit the homie Trey Songz

You call him the prince he rep two up two down

Anyone I know get used to me

Im far from the man that I used to be

I don't ever really kick game

I know you find it impressing whenever you introduced to me

'Cause I'm a good dude who take pride in that

Need good lovin' I'm providing that

Understand that I'm worldwide

You get who you want it wherever you be residing at

'Cause I do things from the M-town

To the UK

From Spain back out to Texas

This album's for my fans

But yo this hook is for my exes

This one is for you girl

You know who you are girl

You only show you're face

'Cause you know that I'm a star girl

What you trying to to make it

Don't ever mistake it

'Cause my time is limited and I ain't trying to waste it all on you

You had a chance now It's gone

Ooooooh

You had a man now you don't

Back to the basics

I think I made it

Ladies make some noise if you wanna be my replacement girl

Ain't ya never seen a yougin so fly

Lookin for someone your type

I done left behind the love of my life

Tryin to find another one tonight

And if it's you baby

Let yourself be seen

Don matter skirts

Dresses or jeans

I got that work

Know what I mean

And I'm flexing on my ex if you know what mean

ICIBILLET.COM

Check this out

From the that she get picked for some take out

Until they slip up and break out

But it's another story over here at Drake's house

'Cause I'm dripped up and I'm drapped out

And I'm lean back

Scoping

Looking for a woman that I should wife

Who got just the right amount of loyalty

Yeah but is still anticipating us living the good life

We go LA, VA

NY, TO

Sunshine in that heat stroke

And them fur hoods in that deep snow

We have breakfast in the bedroom

Break bread downstairs in the basement

Since Jay and Kelz ain't doing the thing no more

Guess me and the boy Songz is the replacement

Ay, Ay, Ay, Ay, Ay, Ay, Ay, Ay, Ay, Ay

Ay, Ay, Ay

Let's Go
