### nevermind

Par updog

*Album : (p)uppy love*

La, la la la, la la la...

La la la, la, la, la...

I really wanna go to New York I'll stick out there like a dork

I think I'm cool but when I zone out I start to drool

What a tool, big hopes by the window

Moving this trip again to limbo

And I'll just stay here hoping one day I'll face my fear...

**'Cause I can only live in wasted dreams**

**All my hopeful bitter fantasies**

**I never mind as long as I'm with you**

**I never mind as long as I'm with you**

**I never mind as long as I'm with you**

**I never mind as long as I'm with you**

Ok we didn't make it but next year, swear I'm motivated

It's complicated how do we find a sitter for a dog that's hated

Maybe go 2 for 2

Something fresh like Timbuktu

Wasted money down the loo

Why I never bother trying anything brand new

**'Cause I can only live in wasted dreams**

**All my hopeful bitter fantasies**

**I never mind as long as I'm with you**

**I never mind as long as I'm with you**

**I never mind as long as I'm with you**

**I never mind as long as I'm with you**
