Lying (Out Take - Previously Unreleased)

Par Uriah Heep

Album : Conquest

Don't let love make a fool of you

Love is meant to tellin' truth

And never any lies

Came to me by seein' truth

In each other's eyes

Each other's eyes

What kind of a fool

Do you think I am?

'cos I have no money

Does it mean I'm half a man?

You know that I will give you all

Give you all that I can

You're lyin', tellin' me

What I should be

You're lyin', tellin' everyone it's me

You're lyin', tellin' me

What I should be

You're lyin', lyin', lyin', lyin'

Tellin' lies can only break you in two

You tell the biggest solo

What do you hope to gain?

If I were you then I would

Try to make amends

I'll tell all my friends

You livin' a world of dreams

But it's too late to change

Your way of life, it seems

So you just carry on

The best way you know how

You know how
