They call me King Hov... Copy?

They call me King Hov... Copy?

They call me King Hov... Copy?

I'm like oh Kimosabe your body is my hobby

We freaking this ain't cheating as long as we tell nobody

Tell your girl she leaving I'll meet you in the lobby

I'm so cold yeah you that hot tottie,

Hot tottie, hot tottie

(I thought I'd never fall in love)

(Swore I'd never fall in love)

I see you like it tough,

I hear you baby

Claiming you a bad bitch

Show me baby

I'm a wild boy you tryna tame me baby

The way I get it from the house

Can you keep me faithful

Got a lot of girls

Got a lot of flava

That's why when I hit em they want me to return the favour

Yeah I hear what you sayin' but hear me babe

You be with me to the point where I'm screaming your name

Said I'm tryna get your clothes off

From what I'm seeing you look so soft

It's you bragging while I'm going off

Said you were right I just don't fall off

Yeah I done had a lot of women that tell me what they can do

But can you show me babe, ooh

You got me right

I'm like oh Kimosabe your body is my hobby

We freaking this ain't cheating as long as we tell nobody

Tell your girl she leaving I'll meet you in the lobby

I'm so cold yeah you that hot tottie, oooh

Hot tottie, hot tottie

(I thought I'd never fall in love)

(Swore I'd never fall in love)

Yeah, yeah, yeah I'm a choosy lover

I pick em up

Talk a lot of shit, I hope it's good as you putting out

Yeah you fancy huh

I'm tryna pull you out

I see it's a lot of girls standing round

She say...

You claim you're the best

And I only want the best

So I said, I ain't gon be here longer

I'm tryna get you home and get your clothes off

Skeet, skeet a couple off and then you dose off

You claiming it's better - if I took it off

Say you gon ride I just don't fall off

Yeah I done had a lot of women that tell me what they can do

But can you show me babe, ooh

Yeah you got me like

I'm like oh Kimosabe your body is my hobby

We freaking this ain't cheating as long as we tell nobody

Tell your girl she leaving I'll meet you in the lobby

I'm so cold yeah you that hot tottie, ooh

Hot tottie, hot tottie

(I thought I'd never fall in love)

(Swore I'd never fall in love)

I'm so cold, I'm so cold

I'm so cold, I'm so cold

I'm so cold, I'm so cold

I'm so cold, I'm so cold

I need a hot tottie

Will you be my hot tottie

She said she wanna make me better

She wanna make me better

Wait a minute motherfucker

They call me King Hov, copy?

They call me King Hov, copy?

They call me King Hov, copy? copy? copy?

They call me King Hov, copy?

Big ballin is my hobby

So much so they think I'm down with the illuminati

My watch do illuminate

My pockets are naughty

But I'm God body better ask somebody

I was born a God

I made myself a king

Which means I downgraded to a human being

You was born a Goddess I made you my queen

Which mean we upgraded to Louis the thirteen

Hot toddy her body like cognac

Her momma like earth tea

We birthed a couple of sacks

And as the tea seeped I crawled up in her teepee

We did it Indian style had the girl speaking

In tongues, she like young you hung what you done done

Stop it fore you wake up my momma might (ahhhh)

And now that I've arrived it's time that I go...

I'm so cold, I'm so cold...

I'm like oh Kimosabe your body is my hobby

We freaking this ain't cheating as long as we tell nobody

Tell your girl she leaving I'll meet you in the lobby

I'm so cold yeah you that hot tottie, oooh

Hot tottie, hot tottie

(I thought I'd never fall in love)

(Swore I'd never fall in love)

I'm so cold, I'm so cold

I'm so cold, I'm so cold

I'm so cold, I'm so cold

I'm so cold, I'm so cold

That I need a hot tottie

Will you be my hot tottie

She said she wanna make me better

She wanna make me better
