Central Seven - If I Were You

Par VA

Album : Future Trance Vol. 39

If I were you

I would never let me go

If I were you

I would always love me so if I were you

I can't play your part in life

But I would surely walk my way

I cannot think the way you think

But I would never go away

You can trust me when I say

That I will always be for real

You can always count on me

No matter how alone you feel

If I were you

I would never let me go

If I were you

I would always love me so if I were you

I would never... (never)

I would always... (always)

I can't tell you what to do

I can only hope for more

More decisions to be good

Like the way they were before

I can't dream the things you dream

'Cause I would not know where to start

Life is never what it seems

When two souls are far apart

I don't wanna know

How it feels to lose a friend

And if I were you

I would never leave again

If I were you

I would never let me go

If I were you

I would always love me so

If I were you

I would never let me go

If I were you

I would always love me so

If I were you

I would always love me so

If I were you

I would never let me go

If I were you
