Love is Hard (Radio Edit)

Par VA

Album : Future Trance Vol. 43

Do you know?

How long

I've been waiting

To make the next move

Come out right

It's a chance

Yes, I know

I'm taking

Will you go?

Or stay here in my life

When it's easy _____

Love is hard

When you know what you want

But you don't know where to start

Love is hard, love is hard

Love is hard, love is hard

You belong to me

Hold me in your heart

You belong to me

And say we'll never part

You belong to me

Love me day by day

You belong to me

I won't let you get away

If there's a chance

You know

I will take it

If there's a way

I have the will

To make it happen

When it's easy _____

Love is hard

When you know what you want

But you don't know where to start

Love is hard, love is hard

Love is hard, love is hard

You belong to me

Hold me in your heart

You belong to me

And say we'll never part

You belong to me

Love me day by day

You belong to me

I won't let you get away
