Paranoid

Par van Canto

Album : Dawn of the Brave (NPR)

Finished with my woman 'cause she couldn't help me with my mind

People think I'm insane because I am frowning all the time

All day long I think of things but nothing seems to satisfy

Think I'll lose my mind if I don't find something to pacify

Can you help me occupy my brain?

Oh yeah

I need someone to show me the things in life that I can't find

I can't see the things that make true happiness, I must be blind

Make a joke and I will sigh and you will laugh and I will cry

Happiness I cannot feel and love to me is so unreal

And so as you hear these words telling you now of my state

I tell you to enjoy life I wish I could but it's too late
