Feels So Good

Par Van Halen

Album : Best Of Both Worlds (Disc 2)

One, two, one, two, three

Come on baby

Oh oh oh

Well if you wanna see other guys

Baby, I could let it slide

You want a lover, you want a friend

Mama, I can be both of them

I got the tools to satisfy

Just walk away, if I fall shy at all

Come on baby finish what you started

I'm incomplete

That ain't no way to treat the broken hearted

I need some sympathy

I like to look, to long run

I like to take each step, one by one

Right on time, you will arrive

By keepin' the dream alive

It's alive and it's kickin' inside of me

So come on baby, please

Come on baby finish what you started

I'm incomplete

That ain't no way to treat the broken hearted

Come on and finish me

Baby, come on

Come on baby, you said, yeah

Baby, come on

Baby, baby, baby

Yeah

Come on baby, please

Oh baby, come on

Come on baby, finish what you started

That ain't no way to treat the broken hearted

Come on baby, finish what you started uh give me

That ain't no way to treat the broken hearted

Baby, come on

Each step baby, one by one

Baby, come on

Yeah come on

Baby, come on, I got the tools I'll satisfy

Come on baby

Baby come on

Oh oh oh

Yeah, baby come on

Baby come on

Baby come on

So come on baby (baby come on)

So come on baby (baby come on) yeah

Come on baby (baby come on)
