It's All Over Now, Baby Blue

Par Van Morrison

Album : Basquiat: Original Soundtrack - Music From The Miramax Film

You must leave now

Take what you need

You think will last

But whatever you wish to keep

You better grab it fast

Yonder stands your orphan with his gun

Crying like a fire in the sun

Look out baby

The same song comin' through

And it's all over now, baby blue

The highway is for gamblers;

Better use your sense

Take what you have gathered from coincidence

The empty-handed painter from your street

Is drawing crazy patterns on your sheets

The sky, too, is fallin' over you

And it's all over now, baby blue

Leave your stepping stones behind
There's somethin' that calls for you
Forget the debt you've left
That will not follow you
Your lover who has just walked through the door
Has taken all his blankets from the floor
The carpet, too, its foldin' over you

And it's all over now, baby blue

Well, strike another match
Yeah, go start a-new
Go start a-new
'Cause it's all over now, baby blue
Hey, hey, yeah
It's all over, it's all over now, baby blue
It's all over, it's all over now, oh yeah
It's all over now, all over now, baby blue
