### Go III

Par Vanilla Ice

*Album : Play That Funky Music*

Get on up... I walk the beat and walk it with clarity

I wanna' make sure all's hearin' me

Ducks who's bummin', I found your hide away

I'm livin' large y'all so by the way

Who rocked the crowd and rocks it loud

On the strengths, y'all, I'm takin' bows now

Kickin' up lyrics that others wanna' rock to

Rock like me, y'all this you can't do

The V, the A, the N, the I, the LLA y'all

It's Vanilla

**Go III, go III, get on up, Go III, go III, get on up,**

**Go III, go III, get on up, Go III, go III, get on up,**

Hold on girl, let your feet move free

'Cause you move to the groove of Vanilla I-C-E

You come here to rock and let the white boy rap

If you a 'ho, get off my lap

'Cause Ice stands for bein' so cold

That's a nickname I got for bein' so bold

Jerome stands for M.P.A.

My personal assistant, every day

I'm not an MC who come here to play

Yo, boy, I'm serious, I'm goin' all the way

Rhymes are clean, There's no need to be ill

And when I'm on the mic, I let 'em all spill

(Repeat)

I rock the mic like I'm a fanatic

When I see one, I got to have it

I'll whip up a sound that'll burst your eardrum

What you gonna' do? Don't you play dumb

Busy like Kizzy, Groovin' like Rubin

Don't care what you do, just keep movin'

Shakin' your limbs until they wear thin

I make your butt shake just watch the boy grin

Simple like Simon, With Ice rhymin'

Some MC's fakin' it, But I'm the diamond

I'm the rhyme doctor, always on call

You watch your fries, boy, or I'm gonna' take yours

(Repeat)

Start skeezin' and move that hip girl

Get in the mood and don't you quit

Smooth as slime, King Rhyme

Rock it boy, 'cause it's a craime

I'll make you scream like you're in between

When I'm on the mic, yes I'm the king

'Cause I'm hungry as a dog, I'll eat up

My rhymes are runnin', don't interrupt

'Cause I'm a throne overtaker, Not and MC faker

I like my coffee, but I can't stand Sanka

(Repeat)
