Guess now it's official

Can't back out, can't back out, no

Getting ready for the night of nights

The night of nights, alright

Don't panic

Panic

Now do we have to dress up for the prom

Dude, I don't think we have a choice

Yeah it's the night of all nights

Gotta look just right

Dressing to impress the boys

Do I want classic, or vintage, or plaid

Where's the mirror

I think this tux is too baggy, too tight

It makes me look weird

Should I go movie star glamorous

Sassy or sweet?

Don't know, but no one better wear the same dress as me

It's the night of our nightmares

It's the night of our dreams

It's too late to back out of it

Hey, makeovers, massages

Don't know what a corsage is

Been waiting all our lives for this

It's gonna be a night (can't wait)

To remember (oh, man)

Come on now, big fun (alright)

It's gonna be the night (I guess)

To last forever (lucky us)

We'll never, ever, ever, forget

Gettin' ready

Get ready

Get, gettin' ready, ready

Get ready

Gettin' ready

Here we go

Get, gettin' ready, go

(Hey you been in there an hour man)

So, what should I do with my hair?

Where's my shaver?

Oh, I love it

I look like a waiter

Should I fluff it?

It's getting later, already should be there

Her mother opens the door, I'm shaking inside

He's here, it's time, the hours arrived

Don't know why, her father's staring me down?

Where's my purse? Lip gloss? Now I'm really freaking out

Then something changes my world

The most beautiful girl, right in front of my eyes

It's gonna be a night (oh yeah)

To remember (that's for sure)

Come on now, big fun (alright)

It's gonna be the night (yeah tonight)

To last forever (forever and more)

We'll never, ever, ever, forget

Who's that girl? (she's so fine)

Who's that guy? (I don't recognize, oh)

Who's that girl? (she looks so good, yeah)

Yes you'll never really notice, but you probably should

Big fun, on the night of nights (alright)

The night of nights, tonight

Let's dance

On the night of nights

You know we're gonna do it right

It's gonna be a night to remember

It's gonna be the night to last forever

It's gonna be our night to remember

It's gonna be the night to last forever (forever)

It's gonna be our night (you know it)

To remember (all time)

Come on now, big fun (to remember)

It's gonna be the night (love it)

To last forever (the rest of our lives)

It's gonna be our night (oh yeah)

All together (say it loud)

Come on now, everyone (that's right)

It's gonna be a night (yeah tonight)

To remember (hear the crowd)

And never, ever, ever, never, ever, ever

Never, ever, never, ever, ever, forget
