Are You Gonna Be My Girl

Par VARIOUS ARTISTS

Album : VA - Absolute 00's

Ohhh

and I don't care how high you are

ooh

ooh ooooh

mmmmm

two hands they take me by surprise

I'm gripping on to where I think I should arrive

we lay so vacant in the dark

take me now so I can wake up,

and drift away

and I don't care how high you are

open your mind, inhale the dark

and I don't care how high you are

don't wake me up til we arrive

ooh

mmmm

oooh

ooh oooh

mmmm

ahh ahh ah ahh

and I don't and I don't and I don't and I don't

and I don't and I don't and I don't and I don't

and I don't and I don't and I don't and I don't

and I don't and I don't and I don't and I don't

and I don't care how high you are

open your mind, inhale the dark

and I don't care how high you are

don't wake me up til we arrive
