Because the Night

Take me now baby here as I am

Pull me close, try and understand

Desirous hunger is the fire I breathe

Love is a banquet on which we feed

Come on now try and understand

The way I feel when I'm in your hands

Take my hand come undercover

They can't hurt you now,

Can't hurt you now, can't hurt you now

Because the night belongs to lovers

Because the night belongs to lust

Because the night belongs to lovers

Because the night belongs to us

Because the night belongs to lovers

Because the night belongs to lust

Because the night belongs to lovers

Because the night belongs to us

Music

Have I doubt baby I'm alone

Love is a ring, the telephone

Love is an angel disguised as lust

Here in our bed still the morning comes

Come on now try and understand

The way I feel under your command

Take my hand as the sun descends

They can't touch you now,

Can't touch you now, can't touch you now

Because the night belongs to lovers

Because the night belongs to lust

Because the night belongs to lovers

Because the night belongs to us

Because the night belongs to lovers

Because the night belongs to lust

Because the night belongs to lovers

Because the night belongs to us
