Blue Bayou

Par VARIOUS ARTISTS

Album : Country Selection

I feel so bad I got a worried mind I'm so lonesome all the time

Since I left my baby behind on blue bayou

Saving nickels saving dimes working 'till the sun don't shine Looking forward to happy end times on blue bayou

I'm going back some day come what made to blue bayou

Where the folks are fine and the world is mine on blue bayou

Where those fishing boats with their sails afloat

If I could only see

That familiar sunrise through sleepy eyes

How happy I'd be

Going to see my baby again going to be with some of my friends

Maybe I'll feel better again On blue bayou

Saving nickels saving dimes working 'till the sun don't shine Looking forward to happy end times on blue bayou

Refrain

Solo

Oh that boy of mine -- by my side

The silver moon and the evening tide

Oh some sweet day going to take away

This hurting inside

Well I'll never be blue my dreams come true

On blue bayou
