Par VARIOUS ARTISTS

Album : Pop Hits 1990

(Here she comes) mm, just like an angel

Seems like forever that she's been on my mind

But nothing has changed

She thinks I'm a waste of her time

(There she goes) oh, she don't know what she's missing

Can't she see I'll never give up the fight?

I'll do all I can

'Til she understands my desire

I've been on the outside looking in

Let me into your heart, oh

There's nothing on earth that should keep us apart

Baby

I can't live without your love and affection

I can't face another night on my own

I'd give up my pride to save me from being alone

'Cause I can't live without your love

Mm, your love

(So I wait) mm, here for an answer

And wonder if tomorrow will be like yesterday

I'll keep holding on

Can't go on living this way, baby

I've been on the outside looking in

Bring my tears to an end, oh

I realize it's no use for me to pretend

Oh yeah

I can't live without your love and affection

I can't face another night on my own

I'd give up my pride to save me from being alone

'Cause I can't live without your love

(For your love) I'd put my arms around you

(For your love) I'd find the strength to tell you

(For your love) that I can't live without your-

I can't live without your love and affection

I can't face another night on my own

I'd give up my pride to save me from being alone

Baby

I can't live without your love and affection

I just can't go on this way anymore

As hard as I try, there's one thing that I know for sure

I can't live without your love

There she goes

I can't live without your love, baby

There she goes

Oh, I can't live without your love

There she goes

Oh, I can't live without your love
