Caught Up in the Rapture - Anita Baker

Par VARIOUS ARTISTS

Album : Pop Hits 1986

Pa, pa, pa, pa

Pa, pa, pa, pa

Pa, pa, pa, pa

When we met, I always knew

I would feel the magic for you

On my mind constantly

In my arms is where you should be

I love you here by me, baby

You let my love fly free

I want you in my life for all time

(La,la, la) I'm caught up in the rapture of love

Nothing else can compare

When I feel the magic of you

Aaahhhhhh (Pa, pa, pa, pa)

We stand side by side

Till the storms of life pass us by

Light my life, warm my heart

Say tonight will be just the start

I love you here by me, baby

You let my love fly free

I want you in my life for all time

I'm caught up in the rapture of love

Nothing else can compare

When I feel the magic of you

The feeling's always new

Caught up in the rapture of you

Aaahhhhhh

I love you here by me, baby

You let my love fly free

I want you in my life for all time

I'm caught up in the rapture of love

Nothing else can compare

When I feel the magic of you

The feeling's always new

Caught up in the rapture of you

Aaahhhhhh

Caught up in the rapture of love

Aaahhhhhh.

Caught up in the rapture of love

Aaahhhhhh.
