# Come Alive

Par VARIOUS ARTISTS

*Album : MNM Top 1000 Vol. 3 (Disc 5)*

**When the world becomes a fantasy**

**And you're more than you could ever be**

**'Cause you're dreaming with your eyes wide open**

And you know you can't go back again

To the world that you were living in

**'Cause you're dreaming with your eyes wide open**

**So, come alive!**

I see it in your eyes

You believe that lie

That you need to hide your face

Afraid to step outside

So you lock the door

But don't you stay that way

No more living in those shadows

You and me, we know how that goes

'Cause once you see it, oh you'll never, never be the same

We will be the light that's turning

Bottle up but keep on shining

You can prove there's more to you

You cannot be afraid

Come alive, come alive

Go and light your light

Let it burn so bright

Reaching up

To the sky

And it's open wide

You're electrified

**When the world becomes a fantasy**

**And you're more than you could ever be**

'Cause you're dreaming with your eyes wide open

And we know we can't go back again

To the world that we were living in

'Cause we're dreaming with our eyes wide open

So, come alive!

Come one!

Come all!

Come in!

Come on!

To anyone who's bursting with a dream

Come one!

Come all!

You hear

The call

To anyone who's searching for a way to break free

**Break free!**

**Break free!**

**When the world becomes a fantasy**

And you're more than you could ever be

'Cause you're dreaming with your eyes wide open

And we know we can't go back again

To the world that we were living in

'Cause we're dreaming with our eyes wide open

(Hey!)

When the world becomes a fantasy

And you're more than you could ever be

'Cause you're dreaming with your eyes wide open

And we know we can't go back again

To the world that we were living in

'Cause we're dreaming with our eyes wide open

'Cause we're dreaming with our eyes wide open

So come alive! (Come alive!)
