Dangerous

Par VARIOUS ARTISTS

Album : ???????? ???????? (High Energy)

Girl I can't notice but to, notice you, noticing me,

From across the room I can see it and can't

Stop myself from looking and noticing you, noticing me

Watch out I've seen her type before

That girl is so dangerous

That girl is so dangerous

That girl is a bad girl, I've seen her type before

She's so dangerous

That girl is so dangerous,

That girl is a bad girl, yeah

Oh yeah that's her the big dog tryin' to get her little kitty to purr

Ex-man lookin' at me like I'm Lucifer

Cause he knows I will deal with his case yes sir!

If I was the last man I earth

I would only take that girl end of search

She give a new definition to the word curve

Got chicks in the strip club envyin' her

Body's like weapon, a mass irruptions

See the glad on that phat obstruction

Tongue game give a new type of seduction

Girl I can't notice but to, notice you, noticing me,

From across the room I can see it and can't

Stop myself from looking and noticing you, noticing me

Watch out I've seen her type before

That girl is so dangerous

That girl is so dangerous

That girl is a bad girl, I've seen her type before

She's so dangerous

That girl is so dangerous,

That girl is a bad girl, yeah

Oh, bad to the bone, everything locked like a two three zone

I wanted to make my black snake moan

Talk a little bit and take that home

She bad and she know the deal

That's what I can't hide when she want to conceal

I mean Megan Good and Halle Berry put together

Ain't close to the jubee I see

No no, no disrespect but this gyal a pon another level,

Cut the check, uh

Tell king, max stop the press, say kid can I get a witness

Girl I can't notice but to, notice you, noticing me,

From across the room I can see it and can't

Stop myself from looking and noticing you, noticing me

Watch out I've seen her type before

That girl is so dangerous

That girl is so dangerous

That girl is a bad girl, I've seen her type before

She's so dangerous

That girl is so dangerous,

That girl is a bad girl, yeah

I see you got that fire by the way that you walkin'

From left to right I watched her go down

Girl I just want it right now don't wanna do no talkin'

Shortys so right I need to slow down

Figure eight, good body shape

When she on the dance floor, gyal dem irrate

When she do her thing man can't walk straight

That biscuit soak up everything in my plate

Bad heels like Jessica Pete

I'm tryna give home girl sex and the city-tity

Itty bitty waistline moves with the baseline

One lick of punch, I'm fine

Girl I can't notice but to, notice you, noticing me,

From across the room I can see it and can't

Stop myself from looking and noticing you, noticing me

Watch out I've seen her type before

That girl is so dangerous

That girl is so dangerous

That girl is a bad girl, I've seen her type before

She's so dangerous

That girl is so dangerous,

That girl is a bad girl yeah!
