Destiny

Par VARIOUS ARTISTS

Album : Gothic Spirits: Vampire Lady

If it is written in the stars, then it can be read

For this is prophecy

The future

A thousand million possibilities

Is it my destiny?

Destiny

I'll find you

In my dreams

Destiny

I'll find you

In my dreams

Eternity awaits

I'll find you

In my dreams

Destiny

I'll find you

In my dreams

Eternity awaits

I'll find you

In my dreams
