Dilemma

Par VARIOUS ARTISTS

Album : VA - Pop Hits Inna Reggae Vol. 3

I love you

And I need you

Nelly, I love you

I do need you

No matter what I do

All I think about is you

Even when I'm with my boo

Boy, you know I'm crazy over you

No matter what I do

All I think about is you

Even when I'm with my boo

You know I'm crazy over you

I met this chick and she just moved right up the block from me (And I)

She got the hots for me, the finest thing I need to see

But oh, no, no, she got a man and a son, oh-oh,

But that's okay 'cause I

Wait for my cue and just listen

Play my position like a shortstop

Pick up everything mami hittin' and in

No time I better make this friend mine and that's for sure

'Cause I-I never been the type to break up a happy home (But I)

But there's something about baby girl, I just can't leave her alone

So tell me, ma, what's it gonna be

She said

You don't know what you mean to me

No matter what I do

All I think about is you

Even when I'm with my boo

Boy, you know I'm crazy over you

No matter what I do

All I think about is you

Even when I'm with my boo

You know I'm crazy over you

I see a lot in your look and I never say a word

I know how niggas start actin' trippin', and hate up all the girls

No way, Nelly go for it with no dame

As you could see, but I

I like your steeze, your style, your whole demeanor

The way you come through and holler

And swoop me in his two-seater

Now that's gangsta and I got special ways to thank ya,

But don't you forget it

But it ain't that easy for you to back up and leave him

But you and me we got ties for different reasons

I respect that and right before I turned to leave

She said

You don't know what you mean to me

No matter what I do

All I think about is you

Even when I'm with my boo

Boy, you know I'm crazy over you

No matter what I do

All I think about is you

Even when I'm with my boo

You know I'm crazy over you

Sing it for me, K

I love you

And I need you

Nelly, I love you

I do (C'mon girl)

And it's more than you'll ever know

Boy, it's for sure

You can always count on my love

Forever more, yeah, yeah

East coast, I know you're shakin' right

Down south, I know you're bouncin' right

West coast, I know you're walkin' right

Midwest, I see you swingin right ('Cause you don't know what you mean to me)

No matter what I do

All I think about is you

Even when I'm with my boo

Boy, you know I'm crazy over you

No matter what I do

All I think about is you

Even when I'm with my boo

You know I'm crazy over you

East coast, I know you're shakin' right

Down south, I know you're bouncin' right

West coast, I know you're walkin' right

Midwest, I see you swingin' right (You don't know what you mean to me)

East coast, I know you're shakin' right

Down south, I know you're bouncin' right

West coast, I know you're walkin' right

Midwest, I see you swingin' right (You don't know what you mean to me)

No matter what I do

All I think about is you

Even when I'm with my boo

Boy, you know I'm crazy over you

No matter what I do

All I think about is you

Even when I'm with my boo

You know I'm crazy over you

Yeah, yeah

East coast, I know you're shakin' right

Down south, I know you're bouncin' right

West coast, I know you're walkin' right

Midwest, I see you swingin' right (You don't know what you mean to me)

East coast, still you're shakin' right

Down south, I think you're bouncin' right

West coast, I know you're walkin' right

Midwest, I see you swingin' right (You don't know what you mean to me)
