# Do Not Go Gentle Into That Good Night

Par VARIOUS ARTISTS

*Album : Compounds & Elements: An Introduction to All Saints Records*

Do not go gentle into that good night,  
Old age should burn and rave at close of day;

**Rage, rage against the dying of the light.**

Though wise men at their end know dark is right,  
Because their words had forked no lightning they

**Do not go gentle into that good night.**

Good men, the last wave by, crying how bright  
Their frail deeds might have danced in a green bay,

**Rage, rage against the dying of the light.**

Wild men who caught and sang the sun in flight,  
And learn, too late, they grieved it on its way,

**Do not go gentle into that good night.**

Grave men, near death, who see with blinding sight

Blind eyes could blaze like meteors and be gay,

**Rage, rage against the dying of the light.**

And you, my father, there on the sad height,

Curse, bless, me now with your fierce tears, I pray.

**Do not go gentle into that good night.**

**Rage, rage against the dying of the light.**
