*Album : Absolute Disco*

I can refresh you so can a holiday

You got me thinking that we could run away

You are my ticket out you tell me where and when

I take your number said you don't have a phone

It's getting late now I gotta let you go

**Everybody wants to take you home tonight**

I'm gonna find a way to make you mine

**Don't stop doin' what you're doin'**

**Every time you move to the beat it gets harder for me**

**And you know it know it know it**

**Don't stop 'cause you know that I like it**

**Every time you walk in the room you got all eyes on you**

**And you know it know it know it**

Got me close now sure I can taste it

You've got me tongue tied I can't escape it

I remember what you got the way you push me back

**Everybody wants to take you home tonight**

But I'm gonna find a way to make you mine

**Don't stop doin' what you're doin'**

**Every time you move to the beat it gets harder for me**

**And you know it know it know it**

**Don't stop 'cause you know that I like it**

**Every time you walk in the room you got all eyes on you**

**And you know it know it know it**

Every day is the same all the games that you play

Back and fourth round and round I like it this way

**Don't stop doin' what you're doin'**

Every time you move to the beat it gets harder for me

And you know it know it know it

Don't stop doin' what you're doin'

Every time you move to the beat it gets harder for me

And you know it know it know it

Don't stop 'cause you know that I like it

Every time you walk in the room you got all eyes on you

And you know it know it know it
