I Want to Know What Love Is

Par VARIOUS ARTISTS

Album : Los 100 mayores éxitos de los 80

I gotta take a little time

A little time to think things over

I better read between the lines

In case I need it when I'm older

Ooooh woah-ah-aah

In my life there's been heartache and pain

I don't know if I can face it again

Can't stop now, I've traveled so far

To change this lonely life

I wanna know what love is

I want you to show me

I wanna feel what love is

I know you can show me

Aaaah woah-oh-oooh

I'm gonna take a little time

A little time to look around me,

I've got nowhere left to hide

It looks like love has finally found me

In my life there's been heartache and pain

I don't know if I can face it again

I can't stop now, I've traveled so far

To change this lonely life

(To change this lonely life)

Lets Talk about love

I wanna know what love is

(The love that you feel inside)

I want you to show me

(I'm feeling so much love)

I wanna feel what love is

(No, you just cannot hide)

I know you can show me

(Yeah, woah-oh-oo)

I wanna know what love is

(Let's talk about love)

I want you to show me

(I wanna feel it too)

I wanna feel what love is

(I wanna feel it too, And I know, and I know, and I know, and I know, and i know)

I want you to show me

Ooooh oh yeah!
