# I'll Stand by You

Par VARIOUS ARTISTS

*Album : NOW That's What I Call Power Ballads: Total Eclipse of the Heart*

Oh, why you look so sad?

Tears are in your eyes

Come on and come to me now

Don't be ashamed to cry

Let me see you through

'cause I've seen the dark side too

When the night falls on you

You don't know what to do

Nothing you confess

Could make me love you less

**I'll stand by you**

**I'll stand by you**

**Won't let nobody hurt you**

**I'll stand by you**

So if you're mad, get mad

Don't hold it all inside

Come on and talk to me now

Hey, what you got to hide?

I get angry too

Well I'm a lot like you

When you're standing at the crossroads

Don't know which path to choose

Let me come along

'cause even if you're wrong

**I'll stand by you**

**I'll stand by you**

**Won't let nobody hurt you**

**I'll stand by you**

Take me in into your darkest hour

**And I'll never desert you**

**I'll stand by you**

And when...

When the night falls on you, baby

You're feeling all alone

You won't be on your own

**I'll stand by you**

**I'll stand by you**

**Won't let nobody hurt you**

**I'll stand by you**

Take me in, into your darkest hour

**And I'll never desert you**

**I'll stand by you**

**I'll stand by you**

**Won't let nobody hurt you**

**I'll stand by you**

and I'll never desert you

**I'll stand by you**

I'll stand by you

Won't let nobody hurt you

I'll stand by you

I'll stand by you
