And I'd give up forever to touch you
'Cause I know that you feel me somehow
You're the closest to heaven that I'll ever be
And I don't wanna go home right now

And all I can taste is this moment
And all I can breathe is your life
When sooner or later it's over
I just don't wanna miss you tonight

And I don't want the world to see me

'Cause I don't think that they'd understand

When everything's made to be broken

I just want you to know who I am

And you can't fight the tears that ain't coming

Or the moment of truth in your lies

When everything feels like the movies

Yeah, you bleed just to know you're alive

And I don't want the world to see me

'Cause I don't think that they'd understand

When everything's made to be broken

I just want you to know who I am

And I don't want the world to see me

'Cause I don't think that they'd understand

When everything's made to be broken

I just want you to know who I am

And I don't want the world to see me

'Cause I don't think that they'd understand

When everything's made to be broken

I just want you to know who I am

I just want you to know who I am

I just want you to know who I am

I just want you to know who I am
