# It Must Be Love

Par VARIOUS ARTISTS

*Album : Maybe Baby*

Lay a whisper on my pillow,

leave the winter on the ground.

I wake up lonely, there's air of silence

in the bedroom and all around.

Touch me now, I close my eyes and dream away.

**It must have been love but it's over now.**

It must have been good but I lost it somehow.

**It must have been love but it's over now.**

From the moment we touched 'til the time had run out.

Make-believing we're together,

that I'm sheltered by your heart.

But in and outside I've turned to water

like a teardrop in your palm.

And it's a hard winter's day, I dream away.

**It must have been love but it's over now,**

**it was all that I wanted, now I'm living without.**

**It must have been love but it's over now,**

it's where the water flows, it's where the wind blows

it's where the wind blows

**It must have been love but it's over now,**

**it was all that I wanted, now I'm living without.**

**It must have been love but it's over now,**

it's where the water flows...
