It's Probably Me

Par VARIOUS ARTISTS

Album : De pré historie: De jaren '90 (De ultieme 10 CD collectie)

Are you for real

Like how I feel

Can we share a love

To last forever

And if so

Let me know

Tell me it's real

The feelin that we feel

Tell me that it's real

Don't let love come just, to pass us by

Try, is all we have to do

Its up to me and you

To make this special love, last forever more

Baby you told me that you loved me and you'd never leave my side

To the bitter end, through the thick and thin

You promised me baby that you wasn't goin anywhere

Baby keep it real, let me know just how you feel

Tell me it's real

The feelin that we feel

Tell me that it's real

Don't let love come just, to pass us by

Try, is all we have to do

Its up to me and you

To make this special love, last forever more

I can't explain the way you made me feel, everytime that you told me that you

Loved me

And you know you did, too many times

Just when I thought that love could never be a part of me

That's when you came along, and showed me happiness

Baby you are the best, I think you're different from the rest

And I really love ya

Tell me it's real

The feelin that we feel

Tell me that it's real

Don't let love come just, to pass us by

Try, is all we have to do

Its up to me and you

To make this special love, last forever more

Tell me it's real

The feelin that we feel

Tell me that it's real

Don't let love come just, to pass us by

(you gotta)

Try, is all we have to do

Its up to me and you

To make this special love, last forever more

Tell me it's real

(do you really love me)

The feelin that we feel

(do you really care)

Tell me that it's real

(you promised that you'd never leave my side)

Don't let love come just, to pass us by

(you promised that you'd always be there)

Try, is all we have to do

(is all we have to do)

Its up to me and you

To make this special love, last forever more

Tell me it's real

(Ill be there for you)

The feelin that we feel

(you be there for me, sweetheart)

Tell me that it's real

(I thought that we were meant to be, for eternity, thought you loved me baby)

Don't let love come just, to pass us by

Try, is all we have to do

(mama told me told me so, boy you just don't know, anything about love)

Its up to me and you

To make this special love, last forever more

(and you and I were meant to be, and you would know, I was sure by the end of

This song)
