**I wish you would step back from that ledge, my friend**

You could cut ties with all the lies, that you've been living in

**And if you do not want to see me again**

**I would understand, I would understand**

The angry boy, a bit too insane

Icing over a secret pain

You know you don't belong

You're the first to fight

You're way too loud

You're the flash of light on a burial shroud

I know something's wrong

Well, everyone I know has got a reason

To say put the past away

Wish you would step back from that ledge, my friend

You could cut ties with all the lies that you've been living in

**And if you do not want to see me again**

**I would understand, I would understand**

And well, he's on the table

And he's gone to code

And I do not think anyone knows

What they are doing here

And your friends have left you

You've been dismissed

I never thought it would come to this

And I, I want you to know

Everyone's got to face down the demons

Maybe today we can put the past away

I wish you would step back from that ledge my friend

You could cut ties with all the lies

That you've been living in and if you do not want to see me again

I would understand, I would understand, I would understand

**I would understand**

**I would understand**

Understand

Can you put the past away?

**I wish you would step back from that ledge, my friend**

**I would understand**

**I wish you would step back from that ledge, my friend**

**I would understand**

**I wish you would step back from that ledge, my friend**

**And I would understand**

**I wish you would step back from that ledge, my friend**

**I would understand**

**I wish you would step back from that ledge, my friend**

**And I would understand**
