**do you remember**

snowflakes melting on a playground wall

**do you remember**

you promised me you woosh the coloured walls.

**do you remember**

the cherryblossom in the market school

do you remember.

i thought it was confetti in our hear.

by the way this means i break your heart

please excuse me

**i never meant to break your heart**

so sorry

**i never meant to break your heart**

**but you broke mine.**

kayleigh is it to late  
to say i'm sorry  
and kayleigh can we get together again.  
i can't Just go on pretending that it came to a natural end.  
kayleigh  
oh i never thought i miss you.  
and kayleigh i thought that we always be friends.  
you said our love woud last forever.  
so how has it Come to this bitter end.  
oooohoooo yeah.

**do you remember**

lying in the grass looking at shooting start.

**do you remember**

making love on the floor of bellside park.

**do you remember**

dancing in stilleto's in the snow.

**do you remember**

you never understood i have to go.

by the way this means i break your heart.

please excuse me i never meant to break your heart.

so sorry

i never meant to break your heart.

**but you broke mine.**

kayleigh

i Just wanna say i'm sorry

but kayleigh i'm to scared to pick up the Phone

to hear you found a nother lover

to patch up our broken home.

kayleigh

i still try to Wright that love song

kayleigh

it's more than poem now that your gone

maybe it Will prove that we were right or that i was wrong.
