# Kissing a Fool

Par VARIOUS ARTISTS

*Album : Beverly Hills Cop II: The Motion Picture Soundtrack Album*

You are far

When i could have been your star

You listened to people

Who scared you to death

And from my heart

Strange that you were strong enough

To even make a start

But you'll never find

Peace of mind

Till you listen to your heart

People

**You can never change the way the feel**

**Better let them do just what they will**

**For they will**

**If you let them**

**Steal your heart from you**

People

**Will always make a lover feel a fool**

**But you knew i loved you**

**We could have shown them all**

**We should have seen love through**

Fooled me with the tears in your eyes

Covered me with kisses and lies

So goodbye

But please don't take my heart

## You are far

I'm never gonna be your star

I'll pick up the pieces

And mend my heart

Maybe i'll be strong enough

I don't know where to start

But i'll never find

## Peace of mind

While i listen to my heart

People

**You can never change the way the feel**

**Better let them do just what they will**

**For they will**

**If you let them**

**Steal your heart from you**

People

**Will always make a lover feel a fool**

**But you knew i loved you**

**We could have shown them all**

**We should have seen love through**

But remember this

Every other kiss

That you'll ever give

Long as we both live

When you need the hand of another man

One you really can surrender with

I will wait for you

Like i always do

There's something there

That can't compare with any other

**You are far**

**When i could have been your star**

**You listened to people**

**Who scared you to death**

**And from my heart**

Strange that i was wrong enough

To think you'd love me too

I guess you were kissing a fool

You must have been kissing a fool
